

NEAT IDEAS

Products Brochure

Everything we do, from selecting innovative quality products, to our packaging design and smart in-store media, is designed to ensure maximised sales.

What makes us unique?

- We offer sale or return (so retailers never have to reduce prices to clear stock)
- No quibble returns policy
- Targeted promotional periods (8-12 weeks)
- Regular changeover of stock keeps products fresh and new to the customer

We pride ourselves on personal, responsive and impeccable service to our customers.

- Designated experienced merchandiser
- Friendly sales team who care about your business
- Brilliant after-sales service – a person is always at the end of the line to provide support

With our in-store media and promotional approach, we ensure that our products offer more profit per square foot.

Why use in-store media?

- Lifts the product off the shelf, bringing it to life
- Drives up to four times the amount of sales from stock-only
- Increase your space to sales ratio – takes up only 1m²
- Provided and set up free of charge
- Maximises the impulse-buy potential

No hassle – we set up the stands and restock them for you. We:

- Install the stand, screen and products
- Offer immediate credit for any returned stock
- Set up your next promotion, taking away any previous stock and leaving you with the new

Display Options

There are various screen and merchandising options available to you. We can supply 10 inch and 16 inch media screens for use on our free-standing display stands or alternatively, on metre ends or slat-walls. Our flexible approach means we can find a merchandising solution for even the smallest of spaces. Here are some of the options available but don't hesitate to contact us for alternative solutions.

600mm wide stand with 16" Display Screen.
Bigger screen = greater sales!

450mm wide stand with 10" Display Screen. The perfect solution where space is a premium.

STOCK ONLY

Don't have room for a TV & Stand? Why not just take stock lines only, every product is available for this option.
